

Dear Valued Member,

Welcome to HomeFree-USA!

Thank you for joining as a **Bronze Member**. Your membership entitles you to unlimited homeownership development and financial preparation workshops. You will receive a Certificate of Participation for completing each session.

While we offer a variety of sessions, it is most important for you to attend **Fast Track**. You will benefit from a comprehensive and detailed breakdown of the home buying process.

We highly encourage you to get at least 20 hours of pre-purchase education to fully understand the process. Please visit Homefreeusa.org to register for upcoming events.

Consider us your Homeownership Advisors. We are here to help you achieve your homeownership and financial goals. Don't hesitate to reach out as questions arise.

Call (301) 891-411 or send an email to homebuyers@homefreeusa.org as questions arise.

Sincerely,
Lauren McIlwain,
Membership Liaison
